TRUE TEACHING STRAIGHT FROM GOD'S WORD

For the purpose of knowing our magnificent God.

In the beginning, God created time, space, and matter, but He lives in a realm outside these confines. His word, the Bible, stands alone as it gives us information about Himself, and this world and universe from its beginning to its end. Obviously it was written from another realm, beyond the realm we live in.

The Bible is the inspired and infallible word of God. From the first page of the Bible to the last page, we are given awe-inspiring information about the true God.

Let us contemplate the Holy, Living God who loves us. He is altogether desirable.
